

14th Annual Early Childhood Mental Health Conference – We Can't Wait!
Re-Imagining Prevention and Early Intervention in Communities of Hope

September 28-30, 2023 ♦ In Person and Virtual Conference

IF-ECMH ENDORSEMENT – REQUEST FOR CERTIFICATES

California has a formal endorsement process for individuals specializing in the area of Infant-family and early childhood mental health. This process requires applicants to document completed requirements through creation of a portfolio. The WestEd Center for Prevention and Early Intervention (CPEI) serves as the administrator of the endorsement process, providing an online application process and a professional review of applicant portfolios for endorsement candidates. The California Center for Infant-Family and Early Childhood Mental Health website (www.cacenter-ecmh.org) contains the Guidelines, information on the endorsement process, an application, and resources. ***Detailed information is included in the ECMH Conference Program Booklet!**

Please fill in the following information for IF-ECMH Certificate Request	
Full Name (with credentials):	** Place your cursor here to type into these fields **
